Persecution.org - International Christian Concern - Every year, 200 million Christians suffer some form of persecution around the world. Persecution is rarely reported on in the media and therefore most of the Western Church has no idea of the suffering of this part of our body. We exist to relieve the suffering of the worldwide persecuted church and to act as a bridge between the Western church and their suffering brothers and sisters.

The Joshua Fund - The Joshua Fund was founded by Joel and Lynn Rosenberg. The desire of their heart was to mobilize Christians to ?bless Israel and her neighbors in the name of Jesus, according to Genesis 12:1-3.? They work closely with Jewish and Christian allies in Israel and the Middle East, as well as Christian allies around the world. We are praying that the Lord blesses and protects Israel and her neighbors and gives them true, just, and lasting geopolitical peace and economic prosperity. At the same time, The Joshua Fund is doing what we can to prepare for the possibility that another war, or series of wars, is coming.

Jews for Jesus - How can Jewish people believe in (Y'shua) Jesus? We exist to make the messiahship of Jesus an unavoidable issue to our Jewish people worldwide. Direct Jewish evangelism as our priority. There is an old Yiddish phrase, "Man drives but God holds the reins." As Jews for Jesus we take that a step further, recognizing that we are dependent on God and His Word for all that we do. Apart from Christ and the power of His Spirit, we can do nothing. Yet we can do all things through Christ who strengthens us.
